To All Active Members of the
International Star Class Yacht Racing Association

Voting for the 2016 Resolutions is open from today through December 10, 2016.

The continued health of the Class is important when deciding any amendment to our rules. Any change to the Class Rules must pass a vote of the membership. Please give each item your full consideration and vote for or against. You may also abstain from voting on any item if you wish to do so.

- Star class members with a valid email address may vote using the link below for your electronic ballot. https://www.surveymonkey.com/r/16star
- Star class members without an email address will be mailed a ballot and we ask for a quick return via email, scanned digital copy or fax by December 10.
- For co-owners; emails will be sent to both owners – whomever votes first, their vote is counted. Co-owners should discuss the ballot and submit one vote.

Included in both the online and hard copy ballot will be a comment section. Please feel free to send us your thoughts.

- For mail-in ballots, **sign and date your ballot**, clearly printing all your information for verification.
- For electronic ballots, you must complete the information requested for verification.
- **Confirmation**: each online voter will receive a confirmation email that your ballot was received.

In accordance with the Class Rules, each individual item on this ballot must pass by a 2/3 majority of the votes returned in order to pass.
