PROPOSED TEXT:

Insert Rule 14.4 as follows:

14.4 Communication with Class Members:

All Standing Committees (specifically the IGC, CMC and CC) inform on matters in their responsibility per established means of communication at least as follows:

- in the Star Class Log – annually;
- in the Starlights or designated email – frequently;
- on the ISCYRA website – as required

on a quarterly basis and at least after each annual meeting (AGM) defined in Rule 16.

REASON:

“with great power there must also come -- great responsibility!” - Spiderman

Whilst the Class members appreciate the regular communication from the Central Office and the President as part of the “Starlights”, it appears that in the age of modern communication technology we could be more transparent as a class in terms of openly informing class members of decisions taking place in either the IGC, CMC or even CC. Topics of interest include, but are not limited to: selection of Dates / Events for sanctioned events; Vacancies for ISCYRA officers, Standing Committees or Appointed Positions and Committees. It would be especially beneficial for class members to get information on current and upcoming applications for sanctioned events with associated dates.

To implement this, we would recommend to adhere to the suggested schedule of Starlights / Newsletter distribution and as suggested provide quarterly information in either a separate section of the Starlights (“From the Standing Committees”) or designated email.
