

race in 8 to 10 MPH. It felt great to be able to hike for a whole race. John MacCausland led at each mark to win the race. John Lombard and Kip Gardner were second at the first mark with Ben Cesare and Mike Whitford third. On the first run Ben passed John Lombard and that is the way the race finished.

Sunday was one more day of summer, warm with light breeze. By the time we started the wind was very light. At the first mark John Bainton and Will Christensen led with Ben Cesare close on their heels. On the first run Ben was able to pass John and open up a huge lead by the leeward mark. Ben was over twenty minutes ahead. On the next leg the wind was light and right. Ben protected the right side of the course which at the time was the right thing to do. John Lombard rounded the leeward mark in tenth place. He and Kip worked towards the left. By the time we neared the second weather mark the committee chose to shorten the course. The three legs that we sailed had taken the leaders nearly three hours. Near the finish the wind on the right had all but died. Here came John Lombard from the left in the best breeze on the course. John & Kip came within a boat length of winning the race. Remember John had to be twenty-five minutes behind Ben at the last mark. John MacCausland and Sean Delaney hung on for third. With this finish MacCausland and Delaney sealed the overall victory. Thanks again to the Mid-Connecticut Star Fleet and Milford Yacht Club for putting on another great event. Remember Milford Yacht Club puts on two events each year; we all appreciate what they do for Star sailing in the Northeast, thanks.

19 Boats

by John "Little Mac" MacCausland

Fall weather at its best! Saturday we had very strong winds 25 to 35 MPH sustained. The committee postponed until 3:15 pm. By this time the breeze started to soften up. The committee set up a three-lap triangle course to starboard in the small bay right in front of the club. At the start three boats were over early – Burt Collins, Trapper Lippincott and John MacCausland. The rest of the fleet was off to the races. At the first mark Rob Maine and Kevin McNeil led with Doug and Bob Schofield in second. These two boats had a good lead on the rest of the fleet. Round and round we went for three laps. Rob Maine and Kevin Murphy lead at every mark to win with Doug and Bob Schofield second. John MacCausland and Burt Collins came a long way back to end up third and fifth respectfully.

Back on shore we all enjoyed a great meal prepared by the staff at the Tred Avon Yacht Club. John Sherwood gave a wonderful presentation about the history of the Fall Wind-Up. This was the 51st running of the Wind-Up.

Sunday dawned beautiful with light northeast wind. By the time we all arrived at the race course the wind started to get lighter, and by the time we were half way up the first boat the wind was very light and shifty. The right seemed to be paying. Pickall and Branford lead coming from the right. Jim and Matt Freeman came from the left to round second. The run was pretty uneventful. The big mover on

this leg was Rob Maine and Kevin Murphy coming from 6 or 7th to round second. The second weather leg was very difficult. By now the breeze was really dying. The first group of boats went right and a few boats went left. About half way up the leg the breeze all but quit. Once the breeze started to fill back in it came from the left leaving the leaders on the right hanging. John MacCausland and Burt Collins gained the most from the left rounding first and second at the mark. The run to the finish turned into a reach which kept passing to a minimum.

At the finish it was MacCausland, Collins and Lippincott for the top three.

We all had a great weekend, thanks again to Richard Lippincott and the Tred Avon Yacht Club.

THE NASH TROPHY

The Nash Trophy is awarded to the skipper with the highest total points in the Long Island Sound Fall Circuit. This year two regattas made up this series: the Bedford Pitcher and the Nutmeg Regatta. John "Little Mac" MacCausland won the trophy by one point over John Lombard of the Mid-Conn fleet.
