## UPCOMING REGATTA DETAILS

**BEDFORD PITCHER  
TRI-DISTRICT SERIES**  
September 10-11, 2005

WIN THE BEDFORD PITCHER THIS YEAR  
AND BE ADDED TO  
100 YEARS OF YACHTING HISTORY

In 1905 Wilson Marshall's three masted schooner "Atlantic" raced across the ocean with Charlie Barr, a veteran 12 meter skipper at the helm. Among the numerous comforts and appurtenances of gracious living below decks was a sterling silver water pitcher used in the main salon.

The "Atlantic" reached England in 12 days 4 hours 1 minute 19 seconds to win the Kaiser's Cup and establish a New York Yacht Club Transatlantic record that stood until this year, 2005, when in June the "Mari-Cha IV" sailing in a celebration of the 100<sup>th</sup> Anniversary of the race, broke the record by sailing to England in 9 days 15 hours 55 minutes 23 seconds.

Several years after the Atlantic's record setting voyage to England, Frederick T. Bedford and his daughter Ruth, enthusiastic sailors and residents of Westport, won the silver water pitcher in a one design sailing event. They enjoyed owning the pitcher for several years, then one day, talking with Dick Gordon (father of CLIS Fleet Captain Rich Gordon Star 7604) while Dick was working on his Star boat, Frederick asked if he could do something with the trophy, to make it available to other sailors as well. Dick suggested donating the pitcher to Cedar Point Yacht Club for one design racing, which the Bedfords did.

The pitcher has been in competition in the Star Class since 1949. C. Stanley Ogilvy was the first winner. From 1949 to 1964 it was awarded as a CLIS trophy. In 1965 and 1966 for unknown reasons it was awarded in WLIS, then in ELIS in 1967 through 1973 and in Boston from 1974 to 1982. It returned to CLIS in 1983. Dick Gordon won it in '66 and '67 but no CLIS skipper has won it since.

The trophy base contains the names of many well known Star skippers, with room for more.

**2005 TRI-DISTRICT CUP**

The Tri-District Championship for 2005 will be awarded to the skipper with the best score achieved in two out of three regattas, one regatta sailed in each of the three districts:

1<sup>st</sup> District: Bedford Pitcher September 10 – 11

2<sup>nd</sup> District: Schuster Regatta October 1 – 2 at Miles River YC, St. Michaels, Maryland.

12<sup>th</sup> District: Lake Sunapee Open, Sailed August 6 –7, see results below.

The scoring for the Tri-District is as follows:

For each regatta, calculate the skipper's average finish, with no throw out. Add the best two out of three regatta averages to get the final score.

In 2004 only six skippers sailed in two of the three regattas, and only Josh Pypers sailed in all three. The trophy, a beautiful perpetual made of stone with three Star boats mounted on top, was taken home by John MacCausland with a score of 5.17.

**LAKE GEORGE OPEN**

**NUTMEG REGATTA**

September 17-18, 2005

Usually fine autumn sailing conditions and the reliable hospitality of Milford Yacht Club and the Mid-Conn fleet contribute to the continued attraction of this regatta.

For only the second time in history, the Nutmeg regatta was not sailed last year. Conditions imposed by Hurricane Ivan prevented the competition in 2004, and the disappearance of the committee boat prevented the competition in 1973. Otherwise it has been sailed every year since 1952, when Stanley Olgilvy was the winner. John MacCausland has won

the regatta six times in recent years but before that Bear Hovey won it three years in a row in 1984-86. Both Bear and his father Dick have won the Nutmegs, as have John Lombard (current First District champion) and his father Jack.

See <http://www.mycstar.org/> for tides, weather and accommodations, and links to NOR etc.

How many times has the Nutmeg been won by a husband and wife team? At least three: see

[http://www.mycstar.org/2002/NUTMEG\\_TROPHY.htm](http://www.mycstar.org/2002/NUTMEG_TROPHY.htm)

**FLASIR**

September 17-18, 2005

In case you are allergic to nutmegs, FLASIR will be sailed the same weekend in Ithaca, New York.

**FALL WIND UP**

September 24-25, 2005

The 54th sailing of the famous Second District Fall Wind Up will be hosted by Tred Avon YC, Oxford, Maryland.

**AUGUST 2005 REGATTA RESULTS****2005 NEW ENGLAND CHAMPIONSHIP  
MARBLEHEAD NOOD**

Peter Cusick and Luke Buxton from Mid-Con fleet were the winners of the 2005 New England Championship sailed July 30-31 in Marblehead. In the three race series, the final scores were very close with both Cusick and current First District Blue Star Champion John Lombard accumulating 14 points. Third and fourth place were only one point behind with 15 points and were also tied, won by Josh Phipers over Guy Gurney.

The Championship, sailed as part of the Marblehead National Offshore One Design Regatta, or NOOD, drew a fleet of 24 Stars, again making the Star Class the second largest fleet at the regatta in which about 300 people participated (The largest fleet was Rhodes 19s).

Sailors from all three of the tri-districts came to Marblehead and Susie Pagel honored the regatta by coming from Willamette Harbor in the Fourth District.

The Stars were kept on the wharf at Eastern Yacht Club, while the social events were at the Corinthian YC, a short walk or launch ride along the shore. There were parties Friday, Saturday and Sunday nights with a great deal of socializing among the fleets. Mount Gay sponsored an open bar at all the parties and introduced some of their new products: mango rum and various beers.

There were three races on Saturday but unfortunately on Sunday the race committee kept everyone out on the water waiting for wind for several hours before canceling the races for the day.

MAKE-A-WISH REGATTA**

August 6 – 7, 2005

Hosted by Cottage Park Yacht Club & Boston Harbor Fleet

The First District Secretary's Cup is a benefit regatta for the Make-A-Wish foundation. It is a fun sailing event, with a great club party, auction, raffle and other surprises.

**SUNAPEE OPEN**

Lake Sunapee, New Hampshire

by Brad Nichol, edited by Bob Carlson

This year's Lake Sunapee Open was blessed with perfect weather and enough wind to get off the three scheduled races over the weekend. Notable attendees included the Secretary of the International Star Class John Chiarella, Vice President of the Western Hemisphere Claude Bonanni, America's Cup tactician for the Prada syndicate and top ranked US Sailing Team Member Andy Horton, and Olympic Gold medallist Magnus Liljedahl among others.

Saturday saw a nice northeasterly at 10-12 knots in the morning and the traditional 50 to 80 degree shifty conditions you would expect on a mountain lake. Race one kicked off on a course three (windward-leeward, five legs) that many people thought would lend itself to a right side favored weather leg. The left side paid well throughout the race and Sam Rowse sailing with Magnus Liljedahl in his brand new boat took first followed by Andy Ivey and Tommy Nunez while Andy Horton and Brad Nichol came from eighth at the last mark to finish third.

The wind shut off as the second race started and filled in from the right about one minute after the start. The race turned out to be a lesson in patience as the wind shut off and filled in a number of times. The key was to keep the boat moving in the

lulls and not get stopped by boat waves. Andy Horton and Brad Nichol did this masterfully mounting a large lead and carrying it to the finish.

Saturday night the Lake Sunapee Star Fleet hosted their World Famous Steak Dinner. The fleet members, friends, and families did a wonderful job as usual putting on a great meal: steaks and delicious corn brought up from Hatfield Connecticut. Everyone in attendance took home drinks, bags, hats and other party favors sponsored by Bacardi.

Sunday did not look promising when the sailors arrived at the club but by 1pm the wind had filled out of the southwest and everyone headed out for the final race. It took two general recalls to get the aggressive fleet off the line. Tricky conditions prevailed and the sailors had to figure out if the wind would prevail from the west over harbor hill or be funneled down the lake from the south. Protecting the right and sailing toward the pressure turned out to be the dominant strategy and Horton and Nichol again showed what a year of practice can do finishing first followed by Claude Bonanni / Richard Burgess and Mike Feeney close behind in third.

In the end, consistency proved invaluable in the tricky conditions. Andy Horton finished first followed by Ron Sandstrom who has won the Open more than any other sailor, and local hero Andy Ivey finished third. In fifth was Fourth District visitor and Leading Lady Susie Pegel.

**NED HAY**

August 13 – 14, 2005

Peter Cusick of the Mid-Connecticut Fleet became the 40<sup>th</sup> winner of the Ned Hay Memorial Regatta held in Rockport, hosted by the Cape Ann Fleet. With Bear Hovey placing second and John Lombard third, the Mid-Conn sailors

dominated the regatta and won all the races but one, which was won by Cape Ann sailor Jim Kubik.

Three boats came from Annapolis to swell the fleet to 19 competitors. There were four races with one throw out.

Will Christensen and J. Joseph Bainton  
First Place, winners of the  
Alan R. Burtis Memorial Trophy

### 2005 NEW ENGLAND MASTERS Westport, Connecticut

Seventeen boats from 6 fleets and 4 districts showed up for the New England Masters' series, held at the Cedar Point Yacht Club in Westport, Connecticut. A nice contingent of four boats came from the Mid-Eastern Shore fleet, and Harry Walker returned to the state of his birth from Florida for the weekend festivities.

Saturday's racing was held in a 80 degree southeasterly that did not shift all day, and a current ebbing to the east. Course fours were set and there were marginal hiking conditions for the first two races but conditions began to lighten during the third race and Race Committee chairman Eric Robbins mercifully decided to shorten the race to one round and anyone that wanted it was given a tow in after the races.

In the first race Guy Gurney was more than two minutes late to the start but went up the shore to pass half the fleet on the first beat. Somehow he didn't take note of the shore effect and didn't finish as well in the second race. Meanwhile, just before the finish of the second race Harry Walker and Tod Raynor jibed but unfortunately Harry fell into the water. Tod was able to haul Harry back on board to finish the race, and they went on to finish the third race with their best finish of the series.

Bainton had speed and to observers behind him, sailed the middle of the course. Par for the course, he opined that the third race should have been thrown out.

Bob Carlson observed that several crews were hanging outside the shrouds on the runs, which is illegal in most regattas.

Saturday evening the CLIS fleet put on a spicy and delicious dinner which has become a hallmark of their events, with the various fleet members pitching in to help get the dinner together. Special thanks to Tim Du Val for providing the food for the dinner, which started with an open bar and lots of good

wine, was followed by rice curry, bar-b-que beef and chicken, red skin potatoes, salad and finished with brownies.

Dinner was served on the second floor of the club with a very pleasant breeze blowing in from the Sound.

Sunday's races were held in a southwesterly, again in marginal hiking conditions with the crews in and out of the boats throughout the weather legs. In the end it came down to very tight racing between Joe Bainton / Will Christensen and Will Swigart / Desmond Walsh, with Bainton / Christensen taking the final deciding race.

The results below show the winners of the various categories. In honor of Emil Karlovsky becoming 90 earlier this month a new Master's category has been created, the name of which is open to suggestions.

Special thanks to David Hoffman for being the race organizer and for loaning his boat to Harry Walker, and to Eric Robbins and his race committee crew for running a good series of races with well set lines.

Thanks to Hilary Lawrence for photographs of the winners
