

## **100th Anniversary - International Star Class - Atlantic Coast Championship - 2025**

**First District Blue Star, Green Star, and Secretary's Cup Regatta**

**Birthplace of the Star Class**

**September 12-14, 2025**

You are cordially invited to join First District Star Sailors at the Centennial Anniversary of the Atlantic Coast Championship sailed in conjunction with the First District Secretary's Cup.

The first time the 1st District Championship was held was in 1925. At the time it was called the Atlantic Coast Championship because the series was raced for by boats from the entire Atlantic seaboard. The original trophy was called the Pandora Trophy. From 1925 to 1927 the trophy was awarded to the boat having the highest score in the last three races of the World's Championship by entries representing fleets on the Atlantic seaboard. The winner of the first Championship was Adrian Iselin, in Ace, #202. Iselin was to win the Championship again in 1945, once again using Ace, #202.
