SPECIFICATION

(number and title)

as follows:

### PROPOSED TEXT:

Each proposed amendment must next be filed with the CMC at least ~~120~~ **30** days prior to the date of the next annual meeting. It will then be automatically submitted by the CMC to the JB for review. The resolution will then be published on the ISCYRA web page no later than ~~45~~ **10** days before the next annual meeting, in order to be put on the agenda of or considered by that annual meeting.

(existing text strike out and replaced with bold text)

### REASON:

120 Days prior to the AGM seems excessive, especially in the era of Internet communication channels a period this long appears counterproductive. It can be expected from members of the CMC and the JB to act upon resolutions within a way shorter time span. 10 days is deemed sufficient as notice period for star class members and AGM delegates.
