STCR 11: ISCYRA Officers – **bold = addition**
11. ISCYRA Officers

ISCYRA Officers shall be elected to manage current matters keeping in mind the future of the Class while honoring its legacy. A significant investment of time and passion for the Star is required of an Officer of the Star Class. Officers shall conduct themselves with the highest levels of integrity, objectivity, and responsibility, while attending to the duties of the office to which they have been elected. ISCYRA Officers shall be elected annually by mail vote of the membership and serve terms, as prescribed below, beginning in the ensuing calendar year or until their successors qualify.

STCR 11.4: Deletion, no replacement.
~~11.4. All the International Officers, in connection with the International Olympic Committee (IOC) and World Sailing, must work in a coordinate way to maintain the "Olympic Status" for the Class, as pointed out in Rules 23.5.1, 23.5.6 and 40.~~

STCR 14.1.7: No change required as reference is only made to the IOC Rules which the Star Class should be free to apply and no reference to Olympic status.

STCR 23.5.1: Deletion of second sentence.
~~23.5.1. Gold. World Championship. Open to all Members of all Fleets and to Isolated Members. Entries per STCR 29.1 GOLD awards. The Olympics is also considered a Gold event. (See ASSOCIATION INSIGNIA AND AWARDS)~~

STCR 23.5.6: Deletion of the word "the Olympics or".
~~23.5.6. Except for the Olympics or World Sailing-sponsored World Championships or other World Sailing-sponsored events (e.g. World Cup), the above events are under the auspices of the ISCYRA. For Gold and Silver events, the Organizing Authority will be the ISCYRA in conjunction with the host club. For Blue and Green events, the Organizing Authority will be the District Committee and/or local fleet in conjunction with the host club. No other races to be scheduled in the vicinity and courses must be adequately patrolled. Except as Combined Events are allowed by STCR 23.5, no other races may be scheduled in the vicinity, and courses must be adequately patrolled.~~

STCR 25.5: Deletion of the words "and/or an Olympic Regatta organized by the International Olympic Committee (IOC)".

25.5. All Rules under STCR 25 are exposed when the ISCYRA is asked to sail in an World Sailing-sponsored World Championship sailed under World Sailing, World Sailing-sponsored Continental Championship and/or an Olympic Regatta organized by the International Olympic Committee (IOC). The decision of participation in that year is made by the IGC.

STCR 31.1.3: Delete the words *“the Olympic Regatta, all respective Olympic Trial Regattas”*.

31.1.3. Team Weight. For Gold, Silver, and Blue events, Fleet Qualifications, ~~the Olympic Regatta, all respective Olympic Trial Regattas~~ and all World Sailing Grade One Ranking Regattas, the total team weight is limited according to the following formula:

S=Skipper's weight, C=Crew's weight in kilograms: $C = ([100 - S] / 1.5) + 100$

STCR 40: No change required as reference is made to the applicability of IOC Rules only and not to olympic status.

REASON:

As the Star is no longer an Olympic Class and as World Sailing has asked the Class to remove reference to the Olympics, the above changes should cover all this.
